If you had to describe an athlete with just one picture, how would you do it?

This photograph speaks for itself about the fierce yet silent rivalry between these two Chess legends:

Vishwanathan Anand Vs Magnus Carlsen

(The King of Chess Vs The Chess Prodigy)

(The person touching his hair is Anand and the one looking at him is Carlsen)

Look at the image carefully:

Both are playing an important match. Both have frustrated their respective opponents. And if you notice carefully, they are not looking at each other but at each other's chessboards. This is just a small glimpse of the fierce rivalry they share.
